ORDER

Whereas the Supreme Court of India in Judgement, dated 17-2-2009 in the matter of C.A. No. 3541 of 2002 (Martin FD' Souza Vs. Mohd. Ishfaq) [2009(2) SCALE 629] has given directions for formation of a Committee of Doctors to examine/scrutinise the complaints relating to medical negligence as follows:—

“We, therefore, direct that whenever a complaint is received against a doctor or hospital by the Consumer Fora (whether District, State or National) or by the Criminal Court then before issuing notice to the doctor or hospital against whom the complaint was made the Consumer Forum or Criminal Court should first refer the matter to a competent doctor or committee of doctors, specialised in the field relating to which the medical negligence is attributed and only after that doctor or committee reports that there is a *prima facie* case of medical negligence should notice be then issued to the concerned doctor/hospital. This is necessary to avoid harassment to doctors who may not be ultimately found to be negligent. We further warn the police officials not to arrest or harass doctors unless the facts clearly come within the parameters laid down in Jacob Mathew's case, otherwise the policemen will themselves have to face legal action”.
